

Stronger Leaders Together

Roundtables

Small Groups + Real Conversations = Stronger Businesses.

What are the NARI Roundtables?

- ✓ A small group (6-8 remodeling companies)
- ✓ Monthly in-person meetings
- ✓ Guided conversations with a clear topic and agenda
- ✓ A 12-month commitment to build trust and momentum

Who are they for?

- Owners and senior leaders of remodeling companies
- Members who are serious about growing themselves and their business
- Professionals who value confidentiality, accountability, and peer insight

The Roundtables are intentionally leadership centric. Industry partners may support the program by hosting meetings, but the conversation stays centered on the building trades.
